By ECF

Dear Judge Schofield:

I represent Bernice Frimpong, the Plaintiff in the above-referenced action. I make this motion with the consent of counsel for the defendants. This is a motion to extend the time by which an application may be made to restore the action to the Court's calendar.

On December 27, 2022, the Court has issued an Order, in accordance with which this action is dismissed without costs and without prejudice to restoring the action to the Court's calendar, provided that the application to restore the action is made within 30 days of the Order [ECF Doc. No. 38]. The Order was issued, because the Court has been informed by the mediator that the parties had reached a settlement in principle in this case. While the settlement in principle has been reached, and the parties have been actively engaged in finalizing the settlement, they did not yet finalize it and need additional time. With the consent of Defendant's counsel, I respectfully request the Court to extend the date by which an application may be made to restore the action to the Court's calendar by additional 30 days, until February 27, 2023. The parties expect to finalize settlement by that date and to file a stipulation of dismissal with prejudice with the Court.

This is the first time that Plaintiff requests the Court to extend the time by which an application to restore the case to the Court's calendar may be made. That extension of time will not interfere with any future Court dates. I am grateful to Your Honor for taking your time to attend to this matter.

Very truly yours,

Michael Grinblat, Esq.
